An injury occurred – may a top orthopaedist treat you?

1. Seek care and take your Kela card with you. You can find OP's partner hospitals and clinics at vahinkoapu.op.fi/en. We recommend Pohjola Health branches in Helsinki, Tampere, Oulu, Kuopio and Turku for the treatment of any orthopaedic injuries.
2. You can file a claim at Pohjola Health at the hospital's claims desk during its opening hours. You will receive a claim settlement decision right away. If the loss is coverable, you will only pay any deductible for medical expenses indemnity specified in the policy.
3. With other partner hospitals and clinics, you should first pay for your medical expenses yourself and then file a claim with OP's Internet Service or OP-mobile. To file your claim, you will need online banking credentials for OP or another bank and information about the coverable expenses. You do not have to send any receipts or other documents, but save them for at least six months; we will ask for them if necessary. You will receive the claim settlement decision by post.

Which treatment and examination expenses are compensated?

Sports Cover provides comprehensive cover for costs of doctor's appointments, medication, examinations and surgery for a maximum of three years:

- fees of examinations, treatment and surgery performed by health care professionals at their practice or clinic for each sudden event
- costs of medicinal products and wound dressings sold in pharmacies
- daily hospital charges
- costs of dental injury examinations and treatments with no time limit for compensation
- costs for orthopaedic braces or bandages for the treatment of a coverable injury
- costs for physiotherapy required to recover from a fracture or a surgical procedure. Physiotherapy is also covered in knee and shoulder injuries in which the physiotherapy is applied instead of surgery. However, physiotherapy is only covered for a maximum of 10 sessions per sudden event.
- rental costs of forearm or underarm crutches
- travel expenses to the nearest hospital or clinic.

We require that any treatment and examinations have been prescribed by a doctor, conform to generally accepted medical practice and are necessary for the treatment of the injury.

If the insured person does not reside permanently in Finland and sustained a loss in Finland, we require that the examinations and the treatment began in Finland.

Sports Cover does not compensate for

- stress pain and injuries or illnesses, such as shin splints, tendinitis or inflammation of tendons' attachment sites
