In the event of an accident, contact the Pohjola Health Advisor service

- You can call Pohjola's Health Advisor for an expert opinion on your symptoms and, if necessary, a referral directly to the most suitable medical professional at your nearest Pohjola Hospital, or Pohjola Insurance's doctor partner.
- Health Advisor checks what your insurance policy covers when you use medical services subject to charge and handles the claim for you. At the appointment, you only pay a possible deductible for the treatment.
- If there is no need to visit a doctor, you will receive clear instructions for home care, ensuring a speedy recovery.
- Outside service hours or in emergencies, you may visit any clinic or hospital to receive first aid. In these cases, you must first pay the medical expenses yourself and file a loss report in OP-mobile or OP eServices.

The Pohjola Health Advisor is available at tel. 0100 5225 and in the Pohjola Hospital app. Calls are charged at the normal mobile phone or local network rate. The Pohjola Health Advisor service is provided by Pohjola Hospital Ltd.

Which treatment and examination expenses are compensated?

Sports Cover provides comprehensive cover for costs of doctor's appointments, medication, examinations and surgery for a maximum of three years:

- fees of examinations, treatment and surgery performed by health care professionals at their practice or clinic for each sudden event
- costs of medicinal products and wound dressings sold in pharmacies
- daily hospital charges
- costs of dental injury examinations and treatments with no time limit for compensation
- costs for orthopaedic braces or bandages for the treatment of a coverable injury
- costs for physiotherapy to recover from a fracture, surgery or plaster treatment. Physiotherapy is also covered in knee and shoulder injuries in which the physiotherapy is applied instead of surgery. However, physiotherapy is only covered for a maximum of 10 sessions per sudden event.
- rental costs of forearm or underarm crutches
- travel expenses to the nearest hospital or clinic.

We require that any treatment and examinations have been prescribed by a doctor, conform to generally accepted medical practice and are necessary for the treatment of the injury.

If the insured person does not reside permanently in Finland and sustained a loss in Finland, we require that the examinations and the treatment began in Finland.

Sports Cover does not compensate for

- stress pain and injuries or illnesses, such as shin splints, tendinitis or inflammation of tendons' attachment sites
